## Interest and Charges

Our General Terms & Conditions state when we may apply charges or interest.

Further information about debit interest and other fees or charges can be found in our Standard Service Tariff.

**Credit interest** – AER stands for Annual Equivalent Rate and describes what the interest rate would be if interest was paid and compounded annually.

**Debit interest** – ABR stands for Above Base Rate and describes the rate charged annually above the Bank of England Base Rate.

## Overdrafts

**Arranged overdrafts** – We agree in advance to provide you with an overdraft that allows you to borrow money on your account up to an agreed overdraft limit. If approved by Unity you will be given an arranged overdraft limit along with an agreed interest rate. These are typically agreed for a period of 12 months and are linked to the Bank of England Base Rate.

**Unarranged overdrafts** – An overdrawn balance on your account which we have not agreed in advance. We will charge our unarranged overdraft rate on any unarranged balances.

If you have an arranged overdraft limit and exceed this limit, we will charge interest at the rate we have agreed with you on the balance of your arranged overdraft limit and will charge an unarranged overdraft rate on any balance over your arranged overdraft limit.

In either of these circumstances, debit interest will be applied on each working day that your account is overdrawn.
