Enquiry-

It was mentioned at Friday's meeting that all decisions had to be made with the other Parish Councillors. If this is the case why did one of the Councillors agree autonomously that the PC would make a donation to FORs if they agreed to help support the 'Santas Grotto'?

FORs did agree to this but this donation has still not been received and have been advised that it has still not been discussed at any meetings.

Why was this not agreed before FORs were approached and when can they expect the donation?
