## Headless Chickens and Pink Fluffy Unicorns

Photo: 1st Rendlesham Scouts

Back in February 1<sup>st</sup> Rendlesham Scouts joined those from both 1<sup>st</sup> & 5<sup>th</sup> Woodbridge for a weekend of camping & fun at Hallowtree campsite in Ipswich.

This was great opportunity for the Scouts to get to know and work with young people not only from their own Scout group but others in the local area. Having been mixed up and split into 4 patrols their

first job was to choose Patrol & Assistant Patrol Leaders and a name for the weekends competition meaning that the Headless Chickens, Pink Fluffy Unicorns, Very Tall Midgets and Keith would compete for the prize of best Patrol.

# Visit Suffolk Easter Extravaganza

The Easter weekend is one of the highlights of the year for many people. First and foremost it is of course a religious holiday, but it is also the first long weekend of spring and carries with it the promise of warmer weather and the opportunity to escape our normal daily routine for a few days.

We have compiled a list of ten things to do over the Easter weekend in Suffolk. Consuming chocolate as you go, is optional...

## 1. EASTER WEEKEND AT SNAPE MALTINGS

There is **lots going on at Snape Maltings** on the Suffolk coast over the Easter weekend. The festivities include concerts featuring contemplative music by Bach, Beethoven and Philip Glass; choral music and a family concert.

There is also a **farmers' market**, family activities and an Easter egg hunt.

## 2. EASTER SPEGGTACULAR AT BAYLHAM HOUSE FARM

If you enjoy cuddling lambs and feeding goats, then Baylham House Rare Breeds Farm is the place to go. Situated not far from Needham Market, the farm has its **annual Easter egg hunt** and lots of farm animals to visit, feed and pet.

## 3. EASTERTIDE AT KENTWELL HALL

Kentwell Hall in Long Melford is famous for hosting medieval and other historic re-creations. Over the Easter weekend around 100 Tudors will be **celebrating Easter in medieval style**; there will be an "impossible Easter quiz" and the chance to win a huge chocolate egg; a children's Easter Egg Trail and the house, gardens and farm will all be open.

## 4. BIRDWATCHING FOR BEGINNERS AT MINSMERE

Polish your binoculars and **join a walk** with an RSPB guide on Sunday, 16th April at 10.30am to learn about some of the birds that are to be found at the coastal RSPB nature reserve at this time of year.

## 5. ANGLO-SAXON GAMES AND VIKING PASTIMES AT WEST STOW

Story-telling and poetry; spear dancing and archery; spinning, weaving and music on the lyre. All of this is to be found at the **West Stow Anglo-Saxon village** near Bury St Edmunds from Saturday, 14th to Monday, 17th April.

## 6. GUIDED WALKS IN LAVENHAM

Join a **guided tour** around the beautiful village of Lavenham on Easter Saturday at 2.30pm and Sunday at 11am. Visitors can also follow the Lavenham Easter Art Trail to search for works of art that are hidden around the village and vote for their favourite. There are prizes to be won!

## 7. HUMPTY DUMPTY'S EGGSTRAVAGANZA

**An Easter panto** at the Spa Pavilion Theatre in Felixstowe for the whole family with singing, dancing and lots of egg-sellent tales!

Suitable for all ages and especially those aged 4 – 14, who enjoy traditional pantomime and plenty of audience participation.

## 8. EASTER FUN DAYS AT THE MUSEUM OF EAST ANGLIAN LIFE

The 75 acre site in Stowmarket will be a-buzz with Easter capers as the annual **Easter Fun Days** take place on Easter Sunday and Monday. Feed the lambs, watch the sheepdog demonstrations, join in the Peter Rabbit-themed Easter egg hunt and lots of other family activities.

## 9. SPRING GO BINGO AT NOWTON PARK

Nowton Park near Bury St Edmunds is a great place to explore at any time of year. With over 200 acres, it has an arboretum with trees from around the world, wild flower meadows, wildlife ponds and the most spectacular display of daffodils (over 100,000 of them at last count!).

A quiz sheet (£1 from the visitor centre) is available for those wanting to add a bit of excitement to their exploration of the park this Easter. Play **Spring Go Bingo** and search out the natural objects on the list to claim a prize.

## 10. WALKING IN SUFFOLK

If hunting for Easter eggs doesn't really appeal, what about **taking a peaceful walk** through the Suffolk countryside or along the beautiful coast?

Pick up a map in one of our tourist information centres and explore Suffolk's two areas of outstanding natural beauty; one of the many nature reserves. or stroll along some of the 3,500 miles of footpaths that are in the county.

Make sure you plan a route which includes a **cosy pub** and stop off for a refreshing glass of Suffolk ale along the way.

## WHERE WILL YOU BE HUNTING FOR EGGS THIS EASTER?

Let us know via **Facebook**, **Twitter** or **Instagram**.

## Parish Council News

### Becoming a Councillor & Defibrillator Training and the Annual Parish Meeting

There was a good turnout for the drop in event with one of the main attractions being the defibrillator training by Steph at Triple F.

The Annual Parish meeting was attended by Cllr Nicoll and Cllr Bond. The Chairman thanked Cllr Bond for his unwavering support for Rendlesham as his time as both District and County Councillor over the years and wished him well in his retirement from local Government.

### Litter

Litter is becoming a big problem in the village. Apart from our Big Spring Clean which is held annually, we are grateful to the volunteers who regularly pick up litter either while they walk their dogs or as their contribution to keeping the village clean and tidy. However, this alone is not enough, the amount of litter is increasing and as we all know, not only is it unsightly, it's also detrimental to wildlife and the environment.

The Parish Council can provide gloves, bags and disposal of rubbish. However, we are sending out a message to everyone who thinks there is a magic litter fairy... there isn't... Please BIN IT or TAKE IT HOME. **Thank you.**

## The Vicar's Voice

Welcome to my first "Vicar's Voice" in my new role as Team Vicar for the Rendlesham Cluster of Churches and Villages. It is exciting to be with you, with many new opportunities and challenges ahead, and I very much look forward to meeting you and as we get to know one another. And it is especially poignant to be starting my time with you as we head into Lent and towards Easter.

The joy and majesty of the Risen Christ is the most sacred time of the churches year, but it doesn't come without having first paid the price of our wilderness moments.

I'm sure there have been many times when we have failed to hear Gods voice in the hustle and bustle of daily grind, when we have been weighed down with responsibilities and cares, those times when we feel God has distanced himself from us and the life-battles we are experiencing, or have experienced, emotionally or spiritually, and we have cried out in anger or frustration "My God, My God, why have you forsaken me?"

But of course, God doesn't distance himself from us or forsake us, it is we who have often tried to go it alone in our own strength, in our own way, convinced we know best.

Thank God, He walks with us at those times, whether we acknowledge it or not.

Because the clouds do break, the sun does

eventually burst through like the myriad displays of golden daffodils we see at this time of the year, or the beautiful snowdrops and crocuses that struggle through the last frosts of winter, into the mild warmth of the Spring sun.

One of my favourite songs is "The Rose" by Bette Midler, a beautiful song about the strength of love, winning through the winter wilderness. A love song that I make no apologies for using as an analogy of the unconditional love of Jesus, bursting through the grey clouds and the barren wilderness, the agony of the cross and the darkness of the tomb, to shine as the hope and promise of better days to come. Days full of promise and new beginning waiting to be embraced, no matter how scary it may feel to embrace them !!

During Lent, if you have faced any struggles of any kind, just remember, God's love is always there, without fail, without compromise, and with the hope and promise of His glory, just waiting for you to turn your faces to the light and warmth of his tender care. May you find Gods love and blessing this Lent and always, as I ask you to please pray for me as I am praying for you,

**Rev Mandy Xx**

# DARKER NIGHTS

Leaving your home unlocked, all in darkness and with valuables on view could mean that you end up giving burglars a gift.

**Don't make it easy for them.**

Burglars watch for houses with no signs of life. Leave a light on or better still put your lights on a timer and leave a radio on if you go out during the hours of darkness.

**Think about the security of your home.** Lock up doors, windows and gates. Remember to lock your garden shed and store tools and ladders securely inside; it stops burglars using your tools to break into your house.

Close it, Lock it, Check it.

**PLEASE CALL POLICE IMMEDIATELY, USING 999, IF YOU SEE OR HEAR ANYTHING SUSPICIOUS.**

THE SALON EXPERIENCE WITHOUT THE PRICE

## Wooden Roots Ltd

Started in the USA 10 years ago by husband and wife duo Marcus and Gemma Brown. They recently moved back to their native homeland and landed in Rendlesham, where they are continuing their journey and passion for West African drums and percussion instruments, especially the djembe! They accept only the best and take pride in sourcing the world's best djembe shells, instruments and materials. "Making and selling drums for people who share our passion is one of the most rewarding things to us as well as introducing people to the culture and watching them grow within it" said Marcus Brown. They also repair drums when they get damaged and make it easy and enjoyable to select your new drum. They offer beginner and intermediate drum lessons, drum circles, team building events and even birthday parties, all from their studio on Bentwaters Parks in Rendlesham, Woodbridge, Suffolk. You can find Wooden Roots at [www.woodenroots.com](http://www.woodenroots.com) as well as on all the usual social media pages too.

## Riding for the Disabled Association (RDA)

At RDA Woodbridge & District in Clopton we teach riding and carriage driving to disabled children and adults regardless of what their disability might be and have been doing this for over 30 years. The benefits to all who ride or drive with the RDA is huge. It provides them with valuable therapeutic exercise, an opportunity to develop their social skills and a chance to build relationships with the horses and ponies. We have a large indoor school with an

excellent surface, an indoor viewing area and an outdoor ménage. Our sessions run six days a week, ably supported by a team of volunteers, we are currently looking for volunteers who would be interested in training as coaches. The centre is self-funded and needless to say they work tirelessly each year to raise the funds to run the centre. ## £2 million agreed to fund projects across Suffolk

Public sector leaders in Suffolk have agreed a new £2 million fund to support local projects across Suffolk.

The funding, which is equivalent to £500,000 each for West Suffolk, Ipswich, Babergh and Mid Suffolk, and East Suffolk, will support projects that support economic, social and community projects.

Proposals would be initiated, developed and agreed by both the local councils and Suffolk County Council. The work will start soon, with project expected to be agreed and start in 2019/20.

Jennie Jenkins, the independent chair of Suffolk Public Sector Leaders Group, said:

“It is clear from work we’ve funded from our business rate pool and the Government’s 100% pilot that relatively small amounts of money from the public sector can have a significant effect. By creating this specific fund, which will operate under the same arrangements as the 100% business rate retention pilot scheme, we will continue this local growth and benefit communities across Suffolk.”

It comes after Suffolk was successful in becoming a pilot area for the Government’s 2018/19 100% business rate retention scheme. The additional money, approximately £10 million, is being spent on a variety of economic, social and community projects across Suffolk. These include:

- £1 million towards un-locking the Waterfront Gateway in Ipswich
- £500,000 towards enhanced public realm in Ipswich, including St Peters Dock
- £200,000 to support the Western Way Development in Bury St Edmunds
- £500,000 on expanding social prescribing in West Suffolk
- £200,000 investment around the Delphi site/Newton Road/South Suffolk Business Centre area in Sudbury
- £40,000 for the SMART Grid energy project for the former Sugar Beet site in Sproughton
- £240,000 to assist with the purchase, redevelopment and modernisation of the NatWest Bank in Stowmarket
- £100,000 towards the First Light Festival in Lowestoft
- £500,000 towards supported housing for people with learning disabilities and autism in Lowestoft
- £800,000 towards Woodbridge car parking and drainage

## Consumer Corner: Suffolk residents are currently being targeted by scammers pretending to be from HMRC

Beware the new HMRC scam where fraudsters call to say there is an arrest warrant in your name

Suffolk Trading Standards have been receiving a number of calls, as well as messages on their social media channels, that Suffolk residents are currently being targeted by scammers pretending to be from HMRC.

The scammers are phoning victims to say an arrest warrant has been made in their name because of unpaid taxes or outstanding debts.

**This is a scam; if you receive a call you should hang up.**

As well as phone calls and voicemail, scammers also send emails, texts and even letters trying to trick people into handing over their money or personal details. They usually take the form of ‘you’re owed a tax rebate’ or ‘you’re in trouble with the HMRC’.

**If you receive a call you should report it so no one else falls victim to it, and it can be investigated.** You can forward suspicious emails claiming to be from HMRC to [phishing@hmrc.gsi.gov.uk](mailto:phishing@hmrc.gsi.gov.uk) and texts to 60599. Or you can contact Action Fraud on 0300 123 2040 to report any suspicious calls or you can use their online service.

## Film industry generates £3.8 million for Suffolk's economy

Suffolk's economy has benefitted from at least £3.8 million of additional investment because of work to attract film makers to the county, a new report has revealed today.

Screen Suffolk, an organisation set up in 2016 by councils in the county and funded by the Suffolk Public Sector Leaders group, actively markets hundreds of Suffolk locations to the filmmaking industry, as well as connecting them to local crews, hotels and restaurants and film services.

Research by Screen Suffolk has looked at spend by film production companies and crews during shoots. It estimates that an average filming day will generate at least £11,500 of spend in the local community – equivalent to £3,864,000 in the first 24 months of operation. Creative England, the government body for film locations in the UK, estimates that crews spend three times this figure - £35,000 a day.

Films and shows shot in Suffolk in the past two years include:

- The Detectorists for BBC 4, shot in Framlingham and Suffolk County Council's headquarters in Ipswich
  - Escape to the Country for Channel 4, shot in Sudbury and Wickhambrook
  - The Child in Time for BBC 1, shot in Shingle Street
  - Countryfile for BBC 1, shot in Walberswick
  - Landscape Artist of the Year for Sky Arts, shot in Felixstowe at Landguard Point
  - The Crown for Netflix, shot at Elveden Hall
  - Fearless for ITV, shot at Bentwaters Park
- Two major movies were shot in the Suffolk in 2018, including a Richard Curtis/Danny Boyle production in Halesworth and 'The Personal History of David Copperfield', with scenes shot in Bury St Edmunds. £82,000 was spent by crews in Bury St Edmunds, including in hotels, on food and drink and other local services. Both films will be released in 2019 and a significant boost to screen-related tourism in Suffolk is expected.

Screen Suffolk also creates work experience and training opportunities for Suffolk's budding filmmakers.

## Connecting Communities

Connecting Communities services operate in all Suffolk Districts. In recognition of the local diversity of our county districts, the community transport service operators have varied transport offers. This means that since they launched in 2016 not all services have been able to accept ENCTS (English National Concessionary Travel Scheme) free travel bus passes.

We want Suffolk residents to have equality on costs for all passengers and consistency on the use of travel bus passes as there is no statutory requirement to give free travel for pre-booked seats. So, from 1 April 2019 all Connecting Communities passengers will be charged fares, and free bus passes will no longer be accepted. The good news is that fares will not be increased this year; we will ensure they remain affordable in line with local bus services.

## CONCERT of Indian Classical Music

**Indian Classical Music**  
**Sugato Bhaduri, mandolin maestro**  
**accompanied by Gurdain Singh Rayatt, tabla**  
**Thursday 2nd May, 8.00pm**  
**Maharishi Peace Palace, Gardenia Close,**  
**Rendlesham, IP12 2GX**

**After his very successful visit last year, Sugato Bhaduri, one of the most sought after classical musicians in India today, will be coming again to Rendlesham in May to give a public concert of Indian classical music at the Peace Palace.** He will be accompanied by Gurdain Singh Rayatt on the *tabla*. Indian classical music is traditionally known as Gandharva Veda, which has been described as the melody from which all other melodies take their source, the music of nature. There are melodies – or *Ragas* – for different times of the day reflecting the different laws of nature operating during the 24-hour period. The changing frequencies present at the first awakening of the dawn, in the dynamism of midday, or in the deep silence of midnight, are found in the rhythms and melodies of Gandharva Veda music. Listening to these melodies, especially when it is a live performance, is said to neutralise stress and fatigue, revitalise mind and body and also to create an influence of peace and harmony in the surroundings.

As well as performing at most of the premier music festivals in India, Sugato has toured extensively in Europe and performed in many international music festivals and concert halls.

**Everyone is warmly invited to hear this outstanding musician on Thursday 2nd May at 8.00pm in the Peace Palace.**

## What do we say when our children refuse to attend school because of our failure to tackle climate change?

The story begins with Greta Thunberg, a 15 year old Swedish girl, who on 20 August 2018 decided to not attend school until the 2018 Sweden general election on 9 September after heat waves and wildfires in Sweden. Her demands were that the Swedish government reduce carbon emissions as per the Paris Agreement, and she protested via sitting outside the Riksdag every day during school hours with the sign *Skolstrejk för klimatet* (school strike for the climate). After the general elections, she continued to strike only on Fridays, which gained worldwide attention. She inspired school students across the globe to take part in student strikes. As of December 2018, more than 20,000 students held strikes in at least 270 cities. Thunberg credits the teen activists at Parkland school in Florida, who organized the March for our lives, as the inspiration to begin her school climate strike. (Wikipedia)

Next we come to pupils from around the UK who went "on strike" on Friday 15th February as their part of the rapidly expanding global campaign for action on climate change. Students around the country walked out of schools, between 11:00 am and 2:00 pm to call on the government to declare a climate emergency and take active steps to tackle the problem. Organisers *Youth Strike 4 Climate* said protests took place in more than 60 towns and cities, with an estimated 15,000 taking part. They carried placards, some reading: "There is no planet B."

The biggest protests were held in London, Brighton, Oxford and Exeter, [some students in Suffolk took part], the UK Student Climate Network said that it has four key demands:

1. The government should declare a "climate emergency"
2. It should also inform the public about the seriousness of the situation
3. The national curriculum should be reformed to include "the ecological crisis"
4. The age of voting should be lowered to 16 so younger people can be involved in decision-making around environmental issues.

Greta tweeted about the UK protests, writing: "British PM says that the children on school strike are 'wasting lesson time'. That may well be the case. But then again, political leaders have wasted 30 yrs of inaction. And that is slightly worse."

*I don't want you to be hopeful. I want you to panic. I want you to feel the fear I feel every day. And then I want you to act. I want you to act as you would in a crisis. I want you to act as if our house is on fire. Because it is.*

Greta Thunberg

Now, by the time of this issue of Rendlesham News, there will have been the world wide students' strike held on Friday March 15th.

### So what do we say to these students?

The National Association of Head Teachers said it did not condone children missing school to take part in the action and that "nothing is more important than a child's education". It said "individual school leaders can decide how best to respond" to any protests involving its students.

However, energy minister Claire Perry said she was "incredibly proud" of young people's passion and concern. She told the BBC: "I suspect if this was happening 40 years ago, I would be out there too."

Labour leader Jeremy Corbyn said schoolchildren were "right to feel let down by the generation before them", while Green Party MP Caroline Lucas said it was the "most hopeful thing that's happened in years".

**What would you say?** Let us know, whether as an individual or as an organisation, and we will try to put in our next article for Rendlesham News. Send to: [greener.rendlesham@uwclub.net](mailto:greener.rendlesham@uwclub.net)

## Spring events to mark 5 years of Headway Suffolk

**Thursday 11 April – Quiz Night at St Georges House, Bury St Edmunds**

**Saturday 27 April – Cycle Ride and Walk at Epsilon House, Ipswich**

Brain injury charity Headway Suffolk is marking its fifth anniversary year by hosting three fundraising events in spring to help improve its services for local people.

Headway Suffolk was formed on 1 April 2014 following the merger of East and West Suffolk, and since then its rehabilitation, therapy and support services for local adults with acquired brain injuries and neurological conditions have gone from strength to strength.

The charity helps service users rebuild lost skills, improve confidence and increase social integration at its hubs throughout Suffolk, as well as providing support to individuals in their own home and local community.

Headway Suffolk is embarking on ambitious plans to build the Professor Stephen Hawking Neuro Centre - a new rehabilitation hub and housing centre in Ipswich for those with brain injuries and neurological conditions.

Supporters can get involved in helping the exciting new build by taking part in its fundraising events in spring, where all details can be found at [www.headwaysuffolk.org.uk/events](http://www.headwaysuffolk.org.uk/events).

The Cycle Ride and Walk, which has raised £50,000 for the charity, takes place for the 11th year on Saturday 27 April at 9am at Epsilon House in West Road, Ipswich.

The flagship fundraiser comprises 30, 40 and 50-mile cycle routes through Ipswich, Leavenheath,

Felixstowe and Martlesham, with a new and improved 10-mile route for walkers. It's just £10 to participate unless you have sponsorship.

It is open to everyone and is an ideal team-building exercise for companies to compete to win the Headway Shield by raising the most sponsorship. To enquire further, email [helenfairweather@headwaysuffolk.org.uk](mailto:helenfairweather@headwaysuffolk.org.uk).

On Thursday 11 April at 7pm, Headway Suffolk is holding a quiz night at its Bury St Edmunds hub at St Georges House in Olding Road. It will be a perfect opportunity for a friendly social gathering of clients, volunteers, staff, families, friends and supporters.

It costs £8 per person, which includes a cold buffet and refreshments, with teams of up to four people. To book your place, contact David on 01284 702535 or email [davidcrane@headwaysuffolk.org.uk](mailto:davidcrane@headwaysuffolk.org.uk).

David Crane, the charity's communications and marketing officer, said: "2019 is a big year for Headway Suffolk as we celebrate our fifth anniversary year, as well as continuing our big plans to build the Professor Stephen Hawking Neuro Centre in Ipswich, which is due to open next year.

"Local businesses and supporters can help us achieve this by taking part in our events this spring and throughout the year, or by undertaking their own personal sponsored challenge, whether it's running, swimming or giving up smoking, which we can support them with."

For full information on its events, go to [www.headwaysuffolk.org.uk/events](http://www.headwaysuffolk.org.uk/events).

## Great British Spring Clean in Woodbridge

Transition Woodbridge

from oil dependence to local resilience

The Great British Spring Clean is happening again this year. Sadly, litter continues to spoil our country. All litter is unsightly and is often harmful to wildlife - think of small mammals trapped in bottles and cans, river and sea life choked by plastic or birds feeding small pieces of litter to their chicks.

For the 4<sup>th</sup> year, Woodbridge will be joining this nationwide clean-up campaign with litter picking events in streets, car parks and open spaces. On Friday 22<sup>nd</sup> March and Saturday 23<sup>rd</sup> March there will be sessions in both morning, 10 to about 12 noon, and afternoon, 2.30 to about 4.30. On Sunday 24<sup>th</sup> March we'll be litter picking in the morning only from 10 to 12 noon. Volunteers aged over 16 are invited to join an event to help tidy up the town.

For families with children who want to help there will be special 'Pick and Play' events in the town's parks - on Sunday, 7<sup>th</sup> April in Fen Meadow, on Saturday, 13<sup>th</sup> April in Kingston Fields and on Sunday 14<sup>th</sup> April in Elmhurst Park. These sessions will start at 10.30am and last about an hour and a half.

Litter picking is a good and satisfying way to help your community and an excellent way to meet people and get some gentle outdoor exercise. If you would like to join in please email Carol on [springcleanwoodbridge@gmail.com](mailto:springcleanwoodbridge@gmail.com) to register for an event or get more information. Litter picking equipment will be provided.

This weekend 9 new fruit trees were planted at Balliol Close, Queens Avenue and Oxford Drive. These trees were kindly donated by the Deben Rotary. Thank you to all those who turned out in the rain and sun to plant the trees. These will be watered and cared for by Transition Woodbridge for the next 3 to 4 years, if you would like to help please do contact us on [twoodbridge@gmail.com](mailto:twoodbridge@gmail.com).

This makes the total number of fruit trees we have planted 53 over the last 5 years! We are incredibly proud of this effort and hope the fruits will bring lots of pleasure to local communities for many years to come!

### News just in!

Woodbridge Library are now collecting pens for Transition Woodbridge to recycle! These will be sent to Terracycle, via Gusford Primary School as part of their 'Turn Trash into Cash' campaign - see pages 3 & 4 of their newsletter at <https://www.gusfordprimary.net/newsletters>. It is fantastic that Gusford have taken this initiative and can earn money at the same time for their school but we would love a local Woodbridge or Melton school, church or business to take part, so we can help them raise money locally!

Woodbridge Library can accept "Any old pens, with or without lids, or lids without pens, including biros, highlighters, markers and felt tips. They will also accept old Tipex pots." Get collecting!

For families with school age children or children with adults:

Sunday 7<sup>th</sup> April 'Pick and Play' for children, Fen Meadow 10.30am - 12pm Saturday 13<sup>th</sup> April 'Pick and Play' for children, Kingston Fields 10.30am - 12pm

Sunday 14<sup>th</sup> April 'Pick and Play' for children, Elmhurst Park 10.30am - 12pm

If you would like any more information on any of these stories, please do not hesitate to contact us! Please contact [charlie2zakss@gmail.com](mailto:charlie2zakss@gmail.com) (not for release) or [twoodbridge@gmail.com](mailto:twoodbridge@gmail.com)

Transition Woodbridge is a community-led group that aims to strengthen the local economy, reduce the cost of living and prepare for a future with less oil and a changing climate.

## Dog fouling... help keep Rendlesham clean

### Latest dog fouling incidents reported:

#### New bridleway to the forest

Please report fouling to:  
Suffolk Coastal District Council  
01394 383789 and/or  
Rendlesham Parish Council

The Parish Council is receiving an increasing number of complaints regarding dog fouling in the village. Responsible dog owners clear up after their dogs and dispose of the waste either at home, or in one of the many waste bins provided throughout the village. Failure to clear up after a dog in your control is a criminal offence for which a fixed penalty fine of £80 can be issued. The maximum fine that a court can impose for this offence on conviction is £1,000.

Always make sure you take something with you to pick up your dog's faeces and pay attention to what your dog is doing at all times - not having a doggy bag, or not noticing that the dog has fouled, is no excuse for not clearing up.

Any bin will do!

If there is not a dedicated dog waste bin available, dog waste can be placed in any litter bin.

## Verdi Requiem Press Release

Gippeswyk Singers, Phoenix Singers and Beccles Choral Society are delighted to announce they will be joining forces under the musical direction of their conductor Geoff Lavery to present:

**Verdi "Requiem"**  
**Saturday 11<sup>th</sup> May 2019 at 7:30pm**  
**Snape Maltings Concert Hall**

Thundering drums and heralding trumpets of the Lambeth Orchestra will have you tingling from head to toe as they join a magnificent massed chorus and 4 outstanding international soloists in filling the wonderful acoustic at Snape Maltings with glorious resonance. Verdi's operatic skill shines forth in his Requiem creating an unforgettable choral masterpiece filled with great lyrical beauty and dramatic passion. This performance also includes "Fanfare for Verdi Brass" by contemporary composer Simon Milton.

Geoff Lavery brings his vast experience and formidable talent as a musical director and conductor to the production which features soloists Elin Pritchard (soprano), Kate Woolveridge (mezzo

soprano), John Upperton (tenor) and Andrew Slater (bass baritone).

Gippeswyk Singers and Beccles Choral Society have previously collaborated with Lambeth Orchestra at Snape Maltings for a sellout performance of Elgar's "Dream of Gerontius" which received tremendous reviews in May 2017.

Conductor Geoff Lavery has recently become the musical director of Phoenix Singers (Framlingham) and is now in the unique position of being able to seamlessly rehearse and coordinate a phenomenal chorus of 200 singers accompanied by the superbly talented 80 piece Lambeth Orchestra (leader Alan Thorogood).

This promises to be an exciting and memorable evening with tickets (£15 - £25) in high demand. The best seats go quickly so don't delay in purchasing from members of all 3 choirs, Cheryl Coutts (tel: 01502 714655),

## Wilderness School at Dunwich Heath

DON'T MISS THE CHANCE TO RECONNECT WITH NATURE AND DISCOVER THE LOST ART OF WILDERNESS LIVING.

**Monday 15 April 2019**

Wilderness School is coming to Dunwich Heath! It's a fantastic opportunity to go on an adventure and learn about bush craft, survival and wilderness living with survival expert, Ray Chin, from 'Back to Wilderness'. Knowing how to build a simple but effective shelter to protect you from the elements can be crucial to surviving in the wilderness. With a little knowhow it's possible to build a surprisingly strong & cosy shelter without the need to use any rope! If you can also make fire, you can cook food, purify water, make tools, create light and feel centred. Remember, knowledge you can carry everywhere, a lighter you can't! The event is suitable for children aged 7+ years, but all children must be accompanied by a participating adult.

## Sudoku Challenge

In a Sudoku you fill in the grid so that every row, every column, and every 3x3 box contains the digits 1 through 9. There is no math involved. The grid has numbers, but you don't have to perform any calculations. You just solve the Sudoku with reasoning and logic.

The Sudoku starts with a partially filled grid that you must solve following the rules above. If you complete the grid, you've solved the Sudoku. Depending on your skill and experience your solving time for a Sudoku will typically vary between 10 to 30 minutes.

Solution is on page 30

## Who Is Jesus? (You Decide!)

"Jesus himself, when challenged, did not offer airtight proofs about his identity. He dropped clues here and there, to be sure, but after appealing to the evidence. *"Blessed is he who takes no offense at me."*

It occurs to me that all the contorted theories about Jesus that have been spontaneously generating since the day of his death merely confirm the awesome risk God took when he stretched himself out on the dissection table [the Incarnation] - a risk he seemed to welcome. Examine me. Test me. You decide."

**-Philip Yancey**

Even Pontius Pilate, under the peer pressure of the religious crowd, examined Jesus with such questions as: "Art thou King of the Jews?" "What is Truth?" "Knowest thou not I have power to crucify thee?" Then, in a dark moment of intense frustration, Pilate asked the crowd, "What shall I do with Jesus who is called Christ?"

After Jesus cried out, *"It is finished,"* Jesus laid down his life, and his body was placed in a tomb. On the third day Jesus took up his life and arose victoriously over death. **Now** Jesus' identity was clearly revealed and we all have to answer Pilate's question, "What shall I do with Jesus Christ?"

## Councils remain deeply concerned about the impact of coastal energy projects

Suffolk County Council and Suffolk Coastal District Council are continuing to raise serious concerns around plans for wind farm projects.

Suffolk County Council and Suffolk Coastal District Council are continuing to raise serious concerns around plans for windfarm projects proposed by ScottishPower Renewables, and the lack of coordination with other energy projects proposed on the coast.

Both authorities continue to support the principle of offshore wind to reduce carbon emissions and provide significant economic benefits in the county and the UK, but have made it clear that this should not be achieved at any cost to Suffolk.

Reports have been jointly written and will be presented at each authority's upcoming Cabinet meetings, in response to ScottishPower Renewables proposals for the East Anglia Offshore Windfarms One (North) and Two. They contain recommendations of co-ordinated actions to protect Suffolk's coastline.

The reports contain over 100 points, covering a wide range of concerns about the East Anglia Offshore Windfarms One (North) and Two. These range from the impact on our land and seascapes, to the Government's role in managing a variety of projects on Suffolk's coast.

# CREATING ROOMS FROM CONSERVATORIES

A large number of people who have fitted the insulated warm roof systems have originally come to see us to change their deteriorating polycarbonate roof for glass. They then find out about warm roof systems and upgrade to these instead, it was not a roof they gained it was a room!

***“it’s not a roof you’re getting – it’s a room”***

This is a highly insulated roof system that fits on top of your existing conservatory. With a solid, tiled roof on the exterior, plastered with lighting on the interior you are transforming the conservatory into a room. A very bright room, one that you can use all year round.

Although the investment is considerably less than an extension you are effectively creating an additional reception room in your house. If you enjoy your conservatory sitting back looking up at the sky or seeing the stars at night there is always an options of adding a lantern roof. Our show room has a number of examples, please feel free to come and have a look. Our customers welcome the fact that they are not sold to, we are happy to explain the different options and show you what they look like.

For more details you can visit Colourchange UPVC's website [www.colourchangeupvc.co.uk](http://www.colourchangeupvc.co.uk) or contact Daryl on 01394 420774
