plus all who hosted advertising boards for us and those who offered their help after the programme was printed!

Welcome to The Rendlesham Show 2022!

With three years between the last show and this one, you'll know we've had plenty of time to make this show, By Royal Command, the very best we can; we already know that many of you are looking forward to being part of it - and we're sure visitors won't be disappointed!

Within the pages of this show programme, you will see the magnificent variety of freely available entertainment on offer as well as the wonderful range of food, drink, stalls and activities to cater for all ages and tastes. The show has many returning favourites but, this year's specials include an array of Anglo-Saxon related attractions, the Tug of War - and tomahawk throwing!

We hope that bringing the show to an even later end with the amazing Lockerbillies will enable those of you who work on Saturdays to join the fun - with food and bar available until 8:30pm.

We're very grateful to Rockford and Bucklands for once again enabling us to have our very own Park and Ride to cope with the ever-increasing number of visitors to the show. For details of this, please see the information on the back cover of this programme.

While the aim of the show isn't to make money, previous shows have already raised £11,270 towards the skatepark project. With your help, we will be adding to that magnificent sum this year. Thank you in advance for your support, with every good wish on behalf of the show planning team,

Carole Wilson, Volunteer Show Coordinator

Tel: 01394 460498 – www.pooleyremovals.com – Info@pooleyremovals.com

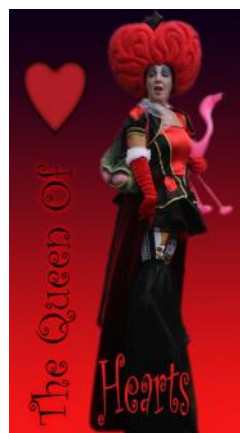

All the contact details for participants at the Show are on our show website: www.rendleshamshow.co.uk

Rendlesham has such an interesting history but, the historian Bede's reference to it as a *Vicus Regius* (Royal Residence) really gives it a special place in Anglo Saxon history. Dr Sam Newton refers to our very own Raedwald as the first King of England — so, along with the all-important Platinum Jubilee of 2022, bringing our Anglo-Saxon royal past into the present was a must for this Show.

We're delighted that Suffolk County Council Archaeology Service will be in the main marquee with their exciting Rendlesham Revealed display.

Outside the main marquee are three other main players in the Anglo-Saxon story: National Trust Sutton Hoo, the Sutton Hoo Society and the Sutton Hoo Ship's Company. Come and talk to experts, warriors and axe-wielding shipwrights! The show planning team have done their bit to help bring some aspects of the size of the ship and the possible hall to life — the clue is the main marquee, please don't leave the Show without knowing the connection!

Rendlesham Royal Residences

Well done and thank you to all who have created their version of a 'Royal Residence' and submitted a photo of it on the Parish Council Facebook events page. The owner of the photo with the most 'likes' will receive their prize at 3:30 pm.

We hope you'll take a walk round Rendlesham before the show to enjoy the entries - and indeed all the bunting etc that so many of you will have brightened your properties with in honour of the Queen's Platinum Jubilee - but please do make a point of visiting Rendlesham Primary School whose transformation is this special Jubilee's Royal Residence par excellence!

Coming in September 2022 New Forest School for 3-8 year olds

Forest School aims to promote the holistic development of all those involved, fostering resilient, confident, independent and creative learners.

Based at the Deben Community Farm in Melton.

*"Healthier bodies,
Healthier minds"*

enquiries@pitstop@gmail.com

How to get to Jubilee Park

Parking for visitors

Show parking is marshalled by the Eastern Community Assistance Team, EA-CAT, whose members will help direct you before you arrive at Jubilee Park.

- We can only permit *Passenger Drop Off* and *Disabled Parking* at Jubilee Park due to the very limited amount of space available.
- There are several small car parking areas in Rendlesham, signposted for your use (Primary School, Doctors' Surgery and near Costcutter) but you might prefer to try our **Free Park & Ride** using Rockford car park and Tony Buckland's historic bus:

The Park and Ride will operate from 10:15am – 6:30pm completing the route from Rockford to Jubilee Park on a continuous basis **except 1:30 – 2:30pm** when the driver is taking a break at the Rockford pick up point.

+

= P & R

Rockford have given us permission to use their car park and Tony of **Buckland's Coaches** is charging us a community rate to provide a shuttle bus. This means that the Park and Ride can be offered FREE to users. Thank you to both these wonderful Rendlesham businesses!
